SAYS PALOMAS IS HELD BY FEDERAL

Consul Llorente Says Rebels Sent From Juarez Have Deserted.

Palomas, opposite Columbus, N. M., has been taken by the federal according to Mexican consul E. C. Llorente. The detachment of 100 men which was sent out from Juarez to Palomas deserted the rebels, he says, and joined the federal who are now in possession of the place.

The consul said that he had received no information about the capture of Concepcion by the rebels, but that a dispatch had been received saying that Quatro Cienegas had been taken by the rebels, but Gen. Huerta had denied this in a message to the consulate.

RELEASE OF PIERCE IS URGED IN JUAREZ

An effort to secure the release of John M. Pierce, who is held in the penitentiary in Chihuahua, on a charge of being a Madero spy, is being made by residents of Juarez, and among them some of the foreign residents. Letters are being sent to Gen. Orozco, asking him to release Pierce as it is believed that he is guilty of the charges which have been placed against him.

Pierce has been held in the Chihuahua prison for over a month and it is said, has not been brought to trial yet. He was the chief of detectives during the Madero control of the city. When the rebels took control of Juarez he remained in the city. Citizens of Juarez who are interesting themselves in the Pierce case believe that he has not assisted the Madero government in any way since the rebels have been in control.

VASQUEZ GOMEZ NOT EXPECTED IN JUAREZ

It was reported that Emilio Vasquez Gomez, who is said to have disappeared from San Antonio, is due to arrive in Juarez today, but the officials in that city say that he is not coming there, according to their knowledge, and that if he did come he would not be welcomed by them. They say Vasquez Gomez is not connected with the present revolution, and his presence in Juarez would cause trouble to the revolutionists.

CARTRIDGES ON CAR TRACK FRIGHTEN JUAREZ

A street car in Juarez ran over and exploded a number of cartridges which had been placed on the tracks in front of the hotel about 10 o'clock yesterday night, and as a result another street car was thrown into the city. After the cartridge explosion took place, the car was stopped by a squad of soldiers who had heard the shooting. The car was loaded with about 15 Americans and Mexicans and when it was held up by the soldiers, their commander ordered the men to jump out and pull the trolley off. All of the passengers immediately took flight and made a scramble for the rear of the car.

The car was run back to the scene of the shooting with the soldier guard and there it was again met by more soldiers. All of the passengers on board were ordered off and searched by the officers as it was thought that someone on board had been shooting from the car. The cause of the shooting was soon found out and the car was allowed to proceed.

A Mexican named Flores has been arrested, charged with placing the cartridges on the car track.

GRAND JURY TO ADJOURN BUT WILL MAKE NO REPORT

The grand jury for the March term of the district court will hold its final session Friday afternoon, but no special report on the work done during the term will be made to Judge James H. Harper.

The March term of the two district courts will end Saturday afternoon and the May term will open Monday morning.

Monition.—Notice is hereby given that there has been seized in this collection district, for violation of the excise laws, one day horse with Mexican brand, which will be sold in front of the custom house, El Paso, Texas, at 10 o'clock a. m. May 11, 1912. Anyone claiming the same is required to appear within the time prescribed by law. Alfred L. Sharpe, Collection of Customs.

JOHN MITCHELL ADVISES MINERS

May Hold a Convention to Pass on the Rejected Agreement.

New York, N. Y., May 3.—John Mitchell, former president of the United Mine Workers of America, and now vice president of the American Federation of Labor, participated today in the deliberations of the anthracite mine workers' representatives over the course to be pursued in dealing further with the operators for increased pay, recognition of the union and other changes not included in the provisional agreement rejected yesterday by the joint conference of operators and miners.

Mr. Mitchell conferred with William Green, of Ohio, who represents president John P. White of the miners, and with the district president. None of the conferees would discuss the deliberations, but each expressed the opinion that an agreement would be reached.

Miners May Hold Convention. Immediately upon adjournment of the conference the executive boards of the miners' organization in three anthracite districts, comprising 32 members, met.

Mr. Green said the object was to decide whether the miners would hold a convention to pass upon the provisional agreement or ask for another conference with the operators.

A convention of miners at either Scranton or Wilkesbarre would not only pass upon the agreement of the subcommittee, but would consider the proposition of president Barr of the Reading company, that the whole controversy be submitted to the surviving members of the anthracite coal strike commission of 1903.

Thinks Committee Bound. Mr. Barr told the miners yesterday that he considered the full committee of miners were morally bound to stand by the action of a subcommittee, which submitted that the matter has been submitted to a referendum vote of the miners the full committee were in no position to ask for further concessions from the operators.

Meanwhile the suspension of mining in the hard coal region is continued. The executive board took a recess to procure stenographic reports of yesterday's joint conference. Thomas Kennedy, a district president, said the executive boards were desirous of reviewing a statement by George F. Barr before taking decisive action.

Miners Insist on Right to Strike. Kansas City, Mo., May 3.—Going to reach an agreement of the arbitration clause on the proposed contract for the next two years, the subcommittee of the southwestern coal miners' and operators' meeting here today took a recess until next Wednesday. Efforts to settle the points in dispute then were resumed.

"The miners insist on retaining the right to strike to enforce their demands," said Charles S. Keith, president of the Southwestern Coal Operators' association. The operators refuse to concede this point. The contract that expired April 20 provided that all disputes must be settled by arbitration.

REPORT OF SINKING OF ITALIAN BATTLESHIP IS DISPUTED. Rome, Italy, May 3.—The government today denied the report from Constantinople that the Italian battleship Re Umberto had been driven on the rocks by a storm and sunk off the Tripolitanian coast near Zuara.

GOOD AIRDOME SHOW. Myrtle Vane, supported by the world's Fair Stock Co., is scoring a big hit at the Airdome and, judging from the large attendance during the past week, the company will have a very successful summer engagement. The brilliant comedy drama, "Spending Thrift," will be given next Monday, Tuesday and Wednesday, the balance of the week the great western play, "In Wyoming," will be the bill.

During the week of the 13th, Myrtle Vane will be seen in Miss Minnie Madison's wonderful success, "Salvation Nell." This is a great scenic play and one of the best in Miss Vane's repertoire.

"VANITY FAIR" TONIGHT. "Vanity Fair" will be shown again this afternoon and tonight for the benefit of those who were unable to gain admittance to the Wigwam last night. It is a splendid production by the Vitagraph company in three full reels. It is a feature film and it is claimed by the Vitagraph people to be their masterpiece. It will be shown continuously from 2:30 till 11 p. m.

NEW BILL AT THE CRYSTAL. There will be an entire change of program at the Crystal today. The feature will be a story of old and new California, called "The Secret of the Miner's Cave." It is said to be a remarkable picture. The miser is played by Jane Wolfe. The theater is open from 2:30 to 11 p. m.

Mammoth meat sale, at Ardoin's. Reports from Bowie county, in Texas, shows that the recent cold spell has had little or no effect on the peach trees and a bumper crop is contemplated.

DECIDE YOURSELF

The Opportunity Is Here, Backed by El Paso Testimony. Don't take our word for it. Don't depend on a stranger's statement. Read the statements of El Paso citizens.

And decide for yourself. Here is one case in point: Mrs. T. A. Jones, 1401 Wyoming St., El Paso, Texas, says: "Reading in the papers of people who had used Doan's Kidney Pills with great benefit. I was induced to get a box when I was ached caused by my kidneys. Backache and there was a distressing swelling of the kidneys. Doan's Kidney Pills were very effective and the use of one box made a remarkable improvement." For sale by all dealers. Price 50 cents.
